

AIM National Salary Survey order form

The AIM National Salary Survey 2009 will contain:

- Detailed pay and benefits market data on over 300 positions, using data provided from over 700 organisations.
- Access to our online data interrogation tools.
- Updated annual pay movements and forecast pay movements.
- A comprehensive benchmark analysis of HR policies, practices and trends within Australian organisations.

The Survey will allow you to:

- Effectively plan for and manage your remuneration costs.
- Facilitate the design of competitive salary packages.
- Drill-down and benchmark the market survey data to make more direct comparisons to your organisation.
- Assist in the development of effective HR policies & strategies.
- Make informed decisions regarding attracting, retaining and appropriately incentivising talented staff.

Within the current economic environment there is no better time to effectively manage HR costs and retain market pay parity to remain competitive.

The National Salary Survey is recognised as the most cost effective remuneration planning tool in the Australian marketplace.

The Survey will be released at the end of April 2009
