

Skills underpin performance.

Corporate Membership with the Australian Institute of Management Victoria & Tasmania (AIM VT) provides your people with the right skills to enhance workplace performance.

Corporate Membership

Becoming a Corporate Member is the logical solution for improving the performance of your workplace. AIM VT has all the resources and expertise in one package to benefit your organisation.

What are the resources at AIM VT?

- **Management and Leadership Training** – best-practice short courses and relevant qualifications that provide your people with superior skills.
- **Knowledge Centre** – management library and bookshop, online journals to assist professional knowledge.
- **Events** – international speakers and Australian business experts to keep you and your staff in the loop with global business information and benchmark practices.
- **Professional Development Forums** – evening networking and development opportunities to expand business contacts and professional horizons.
- **Consulting** – AIM consults with over 300 organisations annually to provide training solutions that reflect your organisation's brand, culture and development goals.
- **Research** – management insights into topical business and leadership issues to better understand what's happening and why.
- **Publications** – information via magazines, newsletters and email updates so you have your finger on the pulse of management and leadership news.
- **AIM Venue Hire** – with exclusive Member rates.

By partnering with AIM VT you open the gateway to the full range of complimentary management development resources you and your staff can use. And when they reach their potential, so does your organisation.

As Australia's largest management association, AIM VT has the capacity, the networks and the experience to better equip your workforce NOW.

Invest NOW.

Developing managers. Creating leaders.

- **Events and Professional Development Forum vouchers** for nominated Professional Members.

AIM VT Corporate Members will receive a range of leadership resources and access to the global management sphere.

AIM VT Corporate Members receive preferential rates for:

- **Short Courses and Qualifications** to arm your employees with immediate and applicable skills. Choose from more than 80 practical courses, ranging from one or two-day short courses to postgraduate qualifications.
- **Events and Forums** for insights into key management issues from experts and influencers in corporate, government, and not-for-profit sectors.

- **Consulting** solutions designed to work in conjunction with your organisational strategy, culture and objectives.

- **AIM Venue Hire** with exclusive Member rates. Access meeting, presentation, conference and computer training rooms conveniently located on Fitzroy Street, St Kilda. An ideal venue for small or large business functions.

The AIM VT **Knowledge Centre** gives Corporate Members access to:

- **Library Services**, including books and audio programs, with research assistance from our highly qualified and enthusiastic staff provided online, by phone or in person. Enjoy the Members' lounge as you browse, with tea and coffee available throughout the day.
- **Business Bookshop** featuring a comprehensive business, management and leadership collection with friendly service from expert staff. Discounted Member rates apply on all purchases, including the AIM Salary Survey.
- **Research** conducted regularly on topical management issues, from the nation's business leaders and managers among AIM VT's extensive Member and client database.
- **Online Journals** plus business news and peer-reviewed articles available simply and easily via a personal website login.
- **Monthly Publications** including *Management Today* and *Your Agenda for Success* delivered to you in hard copy so you can read when it suits you.
- **Co-branded customised web page** to quickly and easily access AIM VT's full range of management and development resources.

Invest in the performance of your organisation NOW.
